CODE OF CONDUCT AGREEMENT

Whenever there are a number of people in residence together it is necessary to establish guidelines for the smooth running of the camp. These guidelines ensure that the rights of everyone are respected: they allow everyone to know where they stand from the beginning.

To Parents

- 1. You will be advised of any serious behavioural problem. If your child is involved in any way with drugs, alcohol or intimate relationships with other participants you will be notified immediately. It would be expected that you collect your child from the program as soon after this as possible if deemed necessary by the staff at the Academy.
- 2. Normal standards of behaviour are expected. Participants should not infringe on the privacy of others nor interfere with their belongings in any way.
- 3. The child's continued attendance at the program is subject to his/her behaviour.

To Participants

As a participant in this Camp, I understand that I must follow the guidelines set out below:

- 1. I am aware that if I am involved in any way with drugs, alcohol or intimate relationships with other participants my parent/guardians will be notified immediately.
- 2. I am aware that smoking is not permitted.
- 3. I will respect the rights of my fellow participants and staff and in return I expect the same. I will not interfere with the belonging of others.
- 4. I will abide by the rules that have been established by the Academy for the conduct of these programs.
- 5. I will not wilfully cause any damage to the Academy or anyone else's property. If I do I will pay for any replacement/repair costs.

I abide by the Australian Rugby League's Code of Conduct, while at the Camp.
